RECITALS

Title XIV of the Public Health Service Act, as amended (the "Safe Drinking Water Act"), authorizes the United States Environmental Protection Agency (the "EPA") to award grants to qualifying states to establish and capitalize State drinking water treatment revolving loan funds ("SRFs") for the purpose of providing loans and certain other forms of financial assistance (but not grants) to finance, among other things, the construction and improvement of publicly-owned and privately-owned water supply systems.

As contemplated by the Safe Drinking Water Act, the General Assembly of Maryland at its 1988 session enacted the Maryland Water Quality Financing Administration Act, codified at Sections 9-1601 to 9-1622, inclusive, of the Environment Article of the Annotated Code of Maryland, as amended (the "Water Quality Act"), establishing the Maryland Water Quality Financing Administration (the "Administration") and establishing an SRF designated the Maryland

Drinking Water Revolving Loan Fund (the "Fund") to be maintained and administered by the Administration. The Water Quality Act authorizes the Administration, among other things, to make a loan from the Fund to a "local government" (as defined in the Water Quality Act) for the purpose of financing all or a portion of the cost of a "water supply system" (as defined in the Water Quality Act). County Commissioners of Calvert County (the "County") is a "local government" within the meaning of the Water Quality Act.

Pursuant to Section 16-201 of the Code of Public Local Laws of Calvert County (the "Enabling Law") and Sections 9-601 to 9-699, inclusive, of the Environment Article of the Annotated Code of Maryland, as amended (the "Sanitary District Act" and, collectively with the Enabling Law, the "Acts"), the County is authorized to issue, sell and deliver bonds for the purposes of providing funds to pay the costs of a water system, sewerage system, solid waste disposal system or solid waste acceptance facility or any part of these that the County owns, constructs or operates and to acquire, construct, operate or maintain whatever water and sewerage and solid waste systems the County considers to be in the public interest and necessary to protect the general health and welfare of the residents of Calvert County, Maryland.

Pursuant to Resolution No. 19-80, adopted by the Board of County Commissioners of Calvert County (the "Board"), dated July 1, 1980, the County abolished the Calvert County Sanitary District, Inc. (the "Sanitary District") and assumed all of its powers and authorities. Prior to its abolition, the Sanitary District had established the "Chesapeake Heights Sanitary District" and the "Dares Beach Sanitary District" (each, a "Service Area"). Each Service Area is a "service area" within the meaning of Section 9-601 of the Sanitary District Act.

The County has applied to the Administration for a loan from the Fund to assist in the financing of a certain project which constitutes a "water supply system" within the meaning of the Water Quality Act, as more particularly described herein. As contemplated by the Water Quality Act, the Administration and the County will enter into a loan agreement (the "Loan Agreement") to effect and evidence the Loan (hereinafter defined).

The County has determined that it will issue its Bond (hereinafter defined), which constitutes a "loan obligation" within the meaning of the Water Quality Act, to evidence its payment obligations under the Loan Agreement.

NOW, THEREFORE, in accordance with the Acts and the Water Quality Act:

SECTION 1. BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That all terms used herein which are defined in the Recitals hereof or the Exhibits hereto shall have the meanings given such terms therein.

SECTION 2. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That pursuant to the authority of the Maryland Water Quality Financing Administration Act (codified as Sections 9-1601 to 9-1622, inclusive, of the Environment Article of the Annotated Code of Maryland, as amended) (the "Water Quality Act"), Section 16-201 of the Code of Public Local Laws of Calvert County (the "Enabling Law") and Section 9-601 to 9-699, inclusive, of the Environment Article of the Annotated Code of Maryland, as amended (the "Sanitary District Act" and, collectively with the Enabling Law, the "Acts"), County Commissioners of Calvert County, a body politic and corporate and a political

subdivision of the State of Maryland (the "County"), hereby determines to borrow money and incur indebtedness in an aggregate principal amount not to exceed One Million Seven Hundred Thousand Nine Hundred Ninety Eight Dollars (\$1,700,998) (the "Loan") for the public purpose of financing a portion of the cost of acquiring, constructing and equipping a certain project as described in Exhibit A attached hereto as part hereof (the "Project"), including the development of property, the acquisition and installation of equipment and furnishings and any related architectural, financial, legal, planning and engineering expenses, including without limitation expenses incurred in connection with the issuance and sale of the Bond (hereinafter defined). The Project constitutes a "water supply system" within the meaning of the Water Quality Act.

SECTION 3. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That (a) as contemplated by the Water Quality Act, such borrowing and indebtedness shall be made and incurred in accordance with the provisions of a loan agreement between the County and the Maryland Water Quality Financing Administration (the "Administration") substantially in the form set forth in Exhibit B attached hereto and made a part hereof (the "Loan Agreement"). The County hereby approves and authorizes the execution and delivery of the Loan Agreement substantially in the form set forth in Exhibit B attached hereto and made a part hereof, with such insertions, omissions or variations as may be deemed necessary or appropriate and approved by the officer or officers of the County executing the same (their execution of the Loan Agreement to constitute conclusive evidence of such approval), and the Loan Agreement and all of the covenants and conditions set forth therein, including, without limitation, payment to the Administration of the annual Administrative Fee described therein, are hereby approved and adopted as the obligation of the County.

(b) To evidence the payment obligations of the County under the Loan Agreement, the County shall issue and sell, upon its full faith and credit, a general obligation installment bond in a maximum principal amount determined in accordance with the Loan Agreement not to exceed One Million Seven Hundred Thousand Nine Hundred Ninety Eight Dollars (\$1,700,998), hereby designated as "County Commissioners of Calvert County Drinking Water Bond, Series 2020" (the "Bond"), which shall mature in installments on the basis prescribed in Exhibit B to the Loan Agreement attached hereto as a part hereof. The date of issue of the Bond shall be the date of execution and delivery of the Loan Agreement (the "Closing Date") and the Bond shall be dated as of the Closing Date. The Bond shall bear interest at a rate of interest equal to 50% of the average of the Bond Buyer 11-Bond Index for the calendar month immediately preceding the Closing Date, rounded down to the next lowest 0.1% per annum. The Bond shall be in registered form, without coupons, shall be payable, and shall be in the denomination, as set forth in Exhibit F to the Loan Agreement attached hereto as a part hereof and shall be subject to redemption upon prepayment of the Loan to the extent permitted and in accordance with the Loan Agreement. The County shall pay (i) a late charge for any payment of principal or interest on the Bond that is received later than the tenth (10th) day following its due date, in an amount equal to 5% of such payment, and (ii) interest on overdue installments of principal and (to the extent permitted by law) interest at the Default Rate provided for in the Loan Agreement, which Default Rate shall be equal to one hundred percent (100%) of the average of the weekly Bond Buyer 11-Bond Index for the calendar month immediately prior to the month in which the Bond is delivered, provided that the rate determined by such calculation may be rounded down by the Administration in its sole discretion.

(c) The County hereby approves the form of the Bond and authorizes the execution and delivery of the Bond in substantially the form set forth in Exhibit F to the Loan Agreement attached hereto as a part hereof, in the maximum principal amount, maturing and bearing interest as determined in the foregoing paragraph of this Section, including all covenants and conditions set forth in such form, and with such insertions, omissions or variations as may be deemed necessary or appropriate and approved by the officer or officers of the County executing the same (their execution of the Bond to constitute conclusive evidence of such approval).

(d) The Director of Finance and Budget of the County (the "Director of Finance") is hereby designated and appointed as bond registrar and paying agent for the Bond (the "Bond Registrar"). The Bond Registrar shall maintain books of the County for the registration and transfer of the Bond. The Bond may not be registered to bearer. The Bond shall be payable at the place and in the manner set forth in Exhibit F to the Loan Agreement attached hereto as a part hereof.

SECTION 4. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the Loan Agreement shall be executed on behalf of and in the name of the County by the President of the Board of County Commissioners of Calvert County (the "President"). The Bond shall be executed on behalf of and in the name of the County by the President and countersigned by the Treasurer of the County (the "Treasurer"). The corporate seal of the County shall be affixed to the Loan Agreement and the Bond, and authenticated and attested by the signature of the Clerk to the Board of County Commissioners of Calvert County (the "Clerk"). The principal of and interest on the Bond shall be paid in accordance with the terms and conditions of the Loan Agreement and the Bond. The Loan Agreement and the Bond shall be valid and legally binding obligations of the County enforceable in accordance with their respective terms.

The County hereby acknowledges the provisions of Article IV of the Loan Agreement (Events of Default and Remedies), which allow for, among other remedies, all payments on the Bond to be declared immediately due and payable upon the occurrence of an Event of Default provided for in the Loan Agreement.

Each of the President, the Treasurer, and the Director of Finance is hereby expressly authorized to take any actions necessary under the Loan Agreement or the Bond in order to requisition advances on behalf of the County. Each of the President, the Treasurer, and the Director of Finance is hereby expressly designated as an "Authorized Officer" for purposes of the Loan Agreement and may take any action, make any determination or grant or withhold any approvals, consents or directions that are delegated to an Authorized Officer under the provisions of the Loan Agreement.

In the event of a discrepancy between the provisions of this Resolution and the Loan Agreement, the provisions of the Loan Agreement shall control. The County agrees to abide by and perform the covenants and agreements set forth in the Loan Agreement as finally executed and delivered in accordance with this Section 4 as though such covenants and agreements were set forth in full in this Resolution.

The officer or officers of the County authorized to execute the Loan Agreement and the Bond are expressly authorized hereby to execute and deliver from time to time (a) such

amendments to the Loan Agreement as shall be deemed necessary or appropriate by such officer or officers to cure any defect or ambiguity in the Loan Agreement, to add any provision thereto beneficial to the County or to comply with Administration practices and policy from time to time and (b) such amendments to the Bond (or a new Bond or Bond in replacement thereof) in accordance with the Loan Agreement and the Bond as shall be necessary to provide for the reamortization of the principal installments due thereunder in the event that the total amount advanced thereunder shall be less than the maximum principal amount of the Bond, so long as neither the aggregate principal amount of the Bond, the amount of any principal installment thereunder in any year, nor the interest rate thereon shall be increased.

SECTION 5. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That, as authorized and contemplated by the Loan Agreement and Section 9-1606 of the Water Quality Act, the Bond shall be sold at private sale to the Administration, public advertisement and sale of the Bond not being required by the terms of the Acts and the best interests of the County being hereby declared to be served by such private sale. The President is expressly authorized and empowered to take any and all action necessary to complete and close the award, sale and delivery of the Bond to the Administration. The President is hereby authorized and empowered to approve the final principal amount, the amortization schedule and the interest rate for the Bond, and make other appropriate variations, insertions and modifications to the Loan Agreement and the Bond not altering the substance thereof or as may be necessary or appropriate to comply with Administration practices and policies applicable from time to time, provided that the final original principal amount of the Bond does not exceed the amount set forth in this Resolution, such approval to be evidenced conclusively by the President's execution and delivery of the Bond and the Loan Agreement in final form in accordance with this Section 5.

SECTION 6. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the Board hereby finds that (a) the Project is a "project" within the meaning of Section 9-601(j) of the Sanitary District Act and (b) the construction of the Project is in the public interest of the citizens of the Service Area and of the County and necessary to protect the general health and welfare of the residents of the County.

SECTION 7. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That for the purpose of paying the maturing principal of and interest on the Bond when due, the County shall, pursuant to the provisions of the Acts, set and collect appropriate and reasonable usage rates, fees and charges for the use of the Project and other County sewer and water facilities, which amounts shall constitute the dedicated source of revenues as described in the Loan Agreement. In the event such revenues are insufficient to meet the debt service requirements of the Bond in any fiscal year in which the Bond is outstanding, the County shall (1) compute the deficiency with respect to payment of principal of and interest on the Bond, (2) impose on all real and personal property located in the Service Area an ad valorem tax sufficient in rate and amount to pay such deficiency, and (3) if, after the imposition of such real and personal property taxes in the Service Area, such deficiency remains unpaid, levy or cause to be levied ad valorem taxes in such fiscal year upon all the legally assessable property within its corporate limits in rate and amount sufficient to pay such deficiency.

The full faith and credit and unlimited taxing power of the County are hereby irrevocably pledged to the payment of the principal of and interest on the Bond as and when they become due

and payable. If a deficiency occurs in the amount available to pay debt service on the Bond pursuant to the Acts after the making by the County of the regular levy for that year, then the County shall pay any and all principal and interest becoming due before the next levy out of any other funds at its disposal, and the County shall levy at the next succeeding levy an amount sufficient to reimburse such other County funds (other than funds in the "district account" established for the Service Area pursuant to Section 9-660 of the Sanitary District Act).

The County hereby covenants and agrees with the registered owner of the Bond to levy and collect the taxes hereinbefore described and to take any action that may be appropriate from time to time during the period that the Bond remains outstanding and unpaid to provide the funds necessary to pay promptly the principal and interest due thereon.

Notwithstanding the foregoing provisions of this section, the County may apply to the payment of the principal of and interest on the Bond as and when the same respectively are due and payable, funds received by the County from the State of Maryland, the United States of America, any agency or instrumentality of either or from any other source.

As authorized by Section 9-1606(d) of the Water Quality Act, the County hereby pledges any moneys that the County is entitled to receive from the State of Maryland, including the County's share of the income tax revenues collected by the State, to secure its obligations under the Loan Agreement, subject to any limitations on such pledge provided for in the Loan Agreement in accordance with this Section 7. Such pledge shall be evidenced by and detailed in the Loan Agreement.

SECTION 8. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the Director of Finance shall be the certifying official for the County responsible for the execution and delivery on the date of the issuance of the Bond of a tax and arbitrage certificate of the County that complies with the requirements of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations thereunder. The Director of Finance is hereby authorized and directed to execute and deliver the tax and arbitrage certificate to counsel rendering an opinion on the excludability from gross income of interest on the Bond for purposes of federal income taxation on the date of the issuance of the Bond. The tax and arbitrage certificate shall set out the reasonable expectations of the County as to relevant facts, estimates and circumstances relating to the use of the proceeds of the Bond or of any moneys, securities or other obligations to the credit of any account of the County which may be deemed to be bond proceeds under Section 148 of the Code or the arbitrage regulations. The County covenants with the owner of the Bond that the facts, estimates and circumstances set forth in the tax and arbitrage certificate will be based on the County's reasonable expectations on the date of the issuance of the Bond and will be, to the best of the certifying official's knowledge, true, correct, and complete as of that date.

SECTION 9. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the County covenants and agrees with the registered owner of the Bond that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the bond proceeds that would cause the Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code and the arbitrage regulations. The County further covenants that it will comply with Section 148 of the Code and the regulations thereunder which are applicable to the Bond on the date of issuance of the Bond and which may

subsequently lawfully be made applicable to the Bond. The County further covenants that it shall make such use of the proceeds of the Bond, regulate the investment of the proceeds thereof, and take such other and further actions as may be required to maintain the excludability from gross income for federal income tax purposes of interest on the Bond. All officers, employees and agents of the County are hereby authorized and directed to take such actions, and to provide such certifications of facts and estimates regarding the amount and use of the proceeds of the Bond, as may be necessary or appropriate from time to time to comply with, or to evidence the County's compliance with, the covenants set forth in this Section.

SECTION 10. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the County covenants that the execution of the Loan Agreement and the issuance of the Bond, together with all other indebtedness of the County, is within every debt and other limit prescribed by the Constitution or statutes of the State of Maryland.

SECTION 11. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the County reasonably expects to incur and pay expenditures relating to the Project prior to issuing the Bond and to reimburse such expenditures from the proceeds of the Bond. This Resolution is a declaration of official intent under Income Tax Regulation Section 1.150-2 and shall be made a part of the official public records of the County. It shall also be available for public inspection when executed and shall be continuously made available for such public inspection on a reasonable basis at the office of the Clerk until the issuance of the Bond.

SECTION 12. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the provisions of this Resolution are severable, and if any provision, sentence, clause, section or part hereof is held to be illegal, invalid, or unconstitutional or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of this Resolution or their application to other persons or circumstances. It is hereby declared to be the legislative intent that this Resolution would have been passed if such illegal, invalid or unconstitutional provision, sentence, clause, section or part had not been included herein, and if the person or circumstances to which this Resolution or any part hereof are inapplicable had been specifically exempted herefrom.

SECTION 13. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the provisions of this Resolution shall constitute a contract between the County and the holder of the Bond so long as the Bond or any portion thereof hereby authorized remains unpaid.

LOAN AGREEMENT

THIS LOAN AGREEMENT, made this "Insert Day" day of "Insert Month", 2020, between the Maryland Water Quality Financing Administration (the "Administration"), a unit of the Department of the Environment (the "Department") of the State of Maryland (the "State"), and "Insert Name of Entity", a "Insert Entity Type" of the State (the "Borrower").

RECITALS

The federal Safe Drinking Water Act ("SDWA"), as amended, authorizes the Environmental Protection Agency ("EPA") to award grants to qualifying States to establish and capitalize State drinking water treatment revolving loan funds ("SRFs") for the purpose of providing loans and certain other forms of financial assistance (but not grants) to finance, among other things, the construction and improvement of publicly-owned and privately-owned water supply systems.

As contemplated by the SDWA, the General Assembly of the State has amended the Maryland Water Quality Financing Administration Act, codified at Sections 9-1601 through 9-1622 of the Environment Article of the Annotated Code of Maryland, as amended (the "Act"), establishing an SRF designated the Maryland Drinking Water Revolving Loan Fund (the "Fund") to be maintained and administered by the Administration. The Act authorizes the Administration, among other things, to make a loan from the Fund to a "local government" (as defined in the Act) for the purpose of financing all or a portion of the cost of a "water supply system" project (as defined in the Act).

The Borrower, which is a "local government" within the meaning of the Act, has applied to the Administration for a loan from the Fund to assist in the financing of a certain project or projects of the Borrower (the "Project," as defined herein) which constitutes a "water supply system" within the meaning of the Act. The Project is one designated for funding in an Intended Use Plan promulgated by the Administration in accordance with regulations issued by the EPA pursuant to the SDWA, and the Project conforms to the applicable "county plan" adopted pursuant to the requirements of Subtitle 5 of Title 9 of the Environment Article of the Annotated Code of Maryland, as amended.

The Director of the Administration has determined that the making of a loan to the Borrower for the purpose of assisting the financing of the Project, on the terms and conditions hereinafter set forth, is necessary and desirable in the public interest, will promote the health, safety and welfare of the inhabitants of the State and the United States by assisting in ensuring that public drinking water remains safe, adequate and affordable, and will further the purposes of the SDWA and the Act.

The Act authorizes the Administration, subject to the prior approval of the Secretary of the Department and the Board of Public Works, to issue its revenue bonds for the purpose of providing monies for deposit to the Fund. The Administration may issue and sell one

or more series of such revenue bonds (the "Bonds") for the purpose of providing monies for deposit to the Fund in an amount sufficient, together with certain other monies expected to be available for that purpose, to enable the Administration to make, or reimburse the Administration for making, a loan to the Borrower and certain other entities to assist in the financing of projects, all as contemplated by the Administration's Intended Use Plan. The revenues from this loan and such other loans, whether or not funded from the proceeds of Bonds, may be pledged by the Administration to secure Bonds.

NOW THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Borrower and the Administration, each intending to be legally bound, hereby agree as follows:

ARTICLE II

REPRESENTATIONS AND COVENANTS OF BORROWER

Section 2.01. Representations of Borrower. The Borrower represents for the benefit of the Administration as follows:

(a) Corporate Organization and Authority. The Borrower:

(i) is a "local government" as defined in the Act; and

(ii) has all requisite power and authority and all necessary licenses and permits required as of the date hereof to own and operate the Project, to enter into this Agreement, to execute and deliver the Note, and to carry out and consummate all transactions contemplated by this Agreement.

(b) Full Disclosure. There is no fact that the Borrower has not disclosed to the Administration in writing that materially adversely affects or (so far as the Borrower can now foresee) that will materially adversely affect the properties, activities, prospects or condition (financial or other) of the Borrower or the ability of the Borrower to make all payments due hereunder and otherwise perform its obligations under this Agreement and the Note.

(c) Pending Litigation. There are no proceedings pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower in any court or before any Governmental Authority or arbitration board or tribunal that, if adversely determined, would materially adversely affect the properties, activities, prospects or condition (financial or other) of the Borrower, or the ability of the Borrower to make all payments due hereunder and otherwise perform its obligations under this Agreement and the Note, and that have not been disclosed in writing to the Administration in the Application or otherwise.

(d) Borrowing Legal and Authorized. The consummation of the transactions provided for in this Agreement and the Note and compliance by the Borrower with the provisions of this Agreement and the Note:

(i) are within its powers and have been duly authorized by all necessary action on the part of the governing body of the Borrower; and

(ii) will not result in any breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrances upon any property or assets of the Borrower pursuant to, any indenture, loan agreement or other instrument (other than this

Agreement and the Note) to which the Borrower is a party or by which the Borrower may be bound, nor will such action result in any violation of the provisions of laws, ordinances, governmental rules, regulations or court orders to which the Borrower or its properties or operations is subject.

(e) No Defaults. No event has occurred and no condition exists that, upon execution of this Agreement and the Note or receipt of the Loan, would constitute a Default hereunder. The Borrower is not in violation, and has not received notice of any claimed violation, of any term of any agreement or other instrument to which it is a party or by which it or its property may be bound, which violation would materially adversely affect the properties, activities, prospects or condition (financial or other) of the Borrower or the ability of the Borrower to make all payments due hereunder and otherwise perform its obligations under this Agreement and the Note, and that have not been disclosed in writing to the Administration in the Application or otherwise.

(f) Governmental Consent; Project Consistency.

(i) The Borrower has obtained all permits and approvals required to date by any Governmental Authority for the making and performance by the Borrower of its obligations under this Agreement and the Note or for the Project and the financing thereof. No consent, approval or authorization of, or filing, registration or qualification with, any Governmental Authority that has not been obtained is required on the part of the Borrower as a condition to the execution and delivery of this Agreement and the Note or the consummation of any transaction herein contemplated.

(ii) The Project is consistent with (A) the local plan of the Borrower as contemplated under Section 5-7A-02 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended; (B) the State Economic Growth, Resource Protection, and Planning Policy established in Section 5-7A-01 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended; and (C) all applicable provisions of *Subtitle 7B, "Priority Funding Areas,"* of Title 5 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended.

(h) Use of Proceeds. The Borrower will apply the proceeds of the Loan from the Administration as described in Exhibit B attached hereto and made a part hereof (i) to finance all or a portion of the Eligible Project Costs; and (ii) to reimburse the Borrower for all or a portion of the Eligible Project Costs paid or incurred prior to the date hereof in anticipation of reimbursement by the Administration (and subject to compliance with Section 2.02(l) of this

Agreement). Except as provided in Sections 3.01 and 3.03(c) of this Agreement, before each and every advance of the proceeds of the Loan to the Borrower, the Borrower shall submit to the Administration a requisition meeting the requirements of Section 3.03 of this Agreement.

(i) Loan Closing Submissions. On or before the Loan Closing Date, the Borrower will cause to be delivered to the Administration each of the following items:

(i) an opinion of Independent Counsel, acceptable to the Administration, dated as of the Loan Closing Date, substantially in the form set forth in Exhibit D to this Agreement;

(ii) an opinion of Bond Counsel [who may rely, as to the validity of this Agreement and the Note, on the opinion of Independent Counsel referred to in (i)], dated as of the Loan Closing Date, and acceptable to the Administration, to the effect that (A) interest on the Loan and the Note will be excludable from gross income for purposes of federal income taxation and (B) interest on the Loan and the Note will not be included in the alternative minimum taxable income of individuals, corporations or other taxpayers as an enumerated item of tax preference or other specific adjustment;

(iii) fully executed counterparts of this Agreement, the Note and the Loan Proceeds Questionnaire and Certificate;

(iv) copies of the ordinance, resolution or other official action of the governing body of the Borrower authorizing the execution and delivery of this Agreement and the Note, certified by an appropriate officer of the Borrower;

(v) a certificate, dated as of the Loan Closing Date, signed by an Authorized Officer of the Borrower and in form satisfactory to the Administration, confirming the Borrower's obligations under and representations in the Loan Agreement and the Loan Proceeds Questionnaire and Certificate as of such date;

(vi) a requisition in an amount not less than the lesser of 5% of the Loan Commitment or \$50,000 for (i) reimbursement to the Borrower of Eligible Project Costs together with paid invoices supporting such reimbursement, or (ii) payment to third-parties of currently due and payable invoices for Eligible Project Costs, or (iii) a combination of (i) and (ii); and

(vii) such other certificates, documents, opinions and information as the Administration may require.

Section 2.02. Particular Covenants of the Borrower.

(a) Maintenance of Project; Insurance. The Borrower shall (i) keep, operate and maintain, or cause to be kept, operated and maintained, the Project in good working order, condition and repair; (ii) make or cause to be made all needed and proper replacements to the Project so that the Project will at all times be in good operating condition, fit and proper for the purposes for which it was originally erected or installed; (iii) not permit any waste of the Project; (iv) observe and comply with, or cause to be observed and complied with, all Requirements; and (v) operate, or cause to be operated, the Project in the manner in which similar projects are operated by persons operating a first-class facility of a similar nature. The Borrower shall maintain or cause to be maintained at its sole cost and expense insurance with respect to the Project, both during its construction and thereafter, against such casualties and contingencies and in such amounts as are customarily maintained by governmental entities similarly situated and as are consistent with sound governmental practice.

(b) Sale or Disposition of Project. The Borrower reasonably expects that no portion of the Project will be sold prior to the final maturity date of the Loan. In the event that the Borrower shall sell or otherwise dispose of any portion of the Project prior to the final maturity date of the Loan, the Borrower shall apply the net proceeds thereof to the prepayment of the Loan or as the Administration shall otherwise direct unless (i) the Borrower shall have obtained the prior written consent of the Administration to some other proposed application of such net proceeds and (ii) there shall have been delivered to the Administration an opinion of Bond Counsel to the effect that, in the opinion of such firm, such proposed application of such net proceeds will not adversely affect the tax-exempt status for federal income tax purposes of the interest on any Tax-Exempt Bonds applicable to the Project or the Note.

(c) Inspections; Information. The Borrower shall permit the Administration or its designee to examine, visit and inspect, at any and all reasonable times (including, without limitation, any time during which the Project is under construction or in operation), the property constituting the Project, to attend all construction progress meetings relating to the Project and to inspect and make copies of any accounts, books and records, including (without limitation) its records regarding receipts, disbursements, contracts, investments and any other matters relating to the Project and the financing thereof, and shall supply such reports and information as the Administration may reasonably require in connection therewith. Without limiting the generality of the foregoing, the Borrower shall keep and maintain any books, records, and other documents that may be required under applicable federal and State statutes, regulations, guidelines, rules and procedures now or hereafter applicable to loans made by the Administration from the Fund, and as may be reasonably necessary to reflect and disclose fully the amount and disposition of the Loan, the total cost of the activities paid for, in whole or in part, with the proceeds of the Loan, and the amount and nature of all investments related to such activities which are supplied or to be supplied by other sources. All such books, records and other documents shall be maintained at the offices of the Borrower, as specified on Exhibit B attached hereto, for inspection, copying, audit and examination at all reasonable times by any duly authorized representative of the Administration. All such books, records and other documents shall be maintained until the completion of an audit of the Project by the EPA or notification from the State or the EPA that no audit is required.

(d) Completion of the Project; Payment of Excess Costs of the Project. The Borrower shall proceed diligently to complete the Project in accordance with the Plans and Specifications, the State primary drinking water regulations and with any requirements set forth in the construction and other required permits. The Borrower shall satisfy all applicable Requirements for operation of the Project by the completion of the Project, and shall commence operation of the Project promptly upon its completion. No substantial changes may be made to the Plans and Specifications, the general construction contract or the Project Budget, or in the construction of the Project without the prior written approval of the Administration in its discretion. The Borrower shall pay any amount required for the acquisition, construction and equipping of the Project in excess of the amount available to be loaned to the Borrower hereunder. Upon the completion of the Project, the Borrower shall deliver to the Administration a certificate of the Borrower certifying that the Project was completed as of the date set forth in such certificate.

(e) Cancellation of Loan. As provided by Section 9-1606(e) of the Act, the Borrower, unless it is a "disadvantaged community" pursuant to the SDWA, acknowledges and agrees that its obligation to make the payments due hereunder and under the Note is cancelable only upon repayment in full of the Loan, and that neither the Administration, the Secretary of the Department, nor the Board is authorized to forgive the repayment of all or any portion of the Loan.

(f) Dedicated Source of Revenue. Pursuant to the SDWA, the Borrower has established one or more dedicated sources of revenue for repayment of the Loan, as described in Exhibit E attached hereto as a part hereof.

(g) Indemnification. To the extent permitted by law, the Borrower releases the Administration, the Fund, the Department, the Board and the State from, agrees that the Administration, the Fund, the Department, the Board and the State shall not have any liability for, and agrees to protect, indemnify and save harmless the Administration, the Fund, the Department, the Board and the State from and against, any and all liabilities, suits, actions, claims, demands, losses, expenses and costs of every kind and nature incurred by, or asserted or imposed against, the Administration, the Fund, the Department, the Board or the State, as a result of or in connection with the Project or the financing thereof. To the extent permitted by law, all money expended by the Administration, the Fund, the Department, the Board or the State as a result of such liabilities, suits, actions, claims, demands, losses, expenses or costs, together with interest at the rate provided in the Note from the date of such payment, shall constitute an additional indebtedness of the Borrower and shall be immediately and without notice due and payable by the Borrower to the Administration.

(h) Non-discrimination. The Borrower certifies that it does not discriminate, and covenants that it shall not discriminate, on the basis of (1) political or religious opinion or affiliation, marital status, race, color, creed or national origin, or (2) sex or age, except where sex or age constitutes a bona fide occupational qualification, or (3) the physical or mental handicap of a qualified handicapped individual. At such times as the Administration requests, the Borrower shall submit to the Administration information relating to the Borrower's operations, with regard to political or religious opinion or affiliation, marital status, physical or mental handicap, race, color, creed, sex, age, or national origin, on a form to be prescribed by the Administration.

(i) Compliance with Requirements. The Borrower acknowledges that the Loan and this Agreement are subject to, and the Borrower agrees to comply with, all Requirements applicable to the Project and the financing thereof, including (without limiting the generality of the foregoing) the SDWA, the Act, and all other applicable State and federal statutes and such rules, regulations, orders and procedural guidelines as may be promulgated from time to time by the EPA, the Board, the Department, the Administration, or other Governmental Authority.

(j) Annual Audit. Within nine (9) months of the end of each Fiscal Year (unless such period is changed to comply with terms of the Administration's financings, or a Requirement, in which case the Administration shall notify the Borrower in writing), the Borrower shall cause financial statements of the Borrower to be prepared with respect to such Fiscal Year in accordance with generally accepted accounting principles, applicable to governmental units, consistently applied, which financial statements shall be audited by, and accompanied by a report of, an Independent Public Accountant. Such financial statements and report shall be delivered upon completion to the Administration within the nine (9) month period or within thirty (30) days from receipt of a report from the auditor, whichever period is shorter.

(k) Bonds Not to Be Arbitrage Bonds. The Administration expects to deliver on each date of issuance of each series of Tax-Exempt Bonds a certificate (such certificate, as it may be amended and supplemented from time to time in accordance with the Indenture, being referred to herein as the "Section 148 Certificate") that complies with the requirements of Section 148 of the Code or applicable successor provisions ("Section 148") and that states the Administration's reasonable expectations as to relevant facts, estimates and circumstances relating to the use of the proceeds of such Tax-Exempt Bonds or of any monies, securities or other obligations on deposit to the credit of any of the funds and accounts created by the Indenture or this Agreement or otherwise that may be deemed to be proceeds of the Tax-Exempt Bonds within the meaning of Section 148 (collectively, "Bond Proceeds"). The Borrower covenants to provide, or cause to be provided, such facts and estimates as the Administration reasonably considers necessary to enable it to execute and deliver its Section 148 Certificate including (but not limited to) those updates required in the Loan Proceeds Questionnaire and Certificate. The Borrower further covenants that (i) such facts and estimates will be based on its reasonable expectations on the date of issuance of the Tax-Exempt Bonds and will be, to the best of the knowledge of the officers of the Borrower providing such facts and estimates, true, correct and complete as of that date, and (ii) the Borrower will make reasonable inquiries to ensure such truth, correctness and completeness.

The Borrower covenants that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the Bond Proceeds that would cause any of the Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of Section 148. The Borrower further covenants that it will comply with those provisions of Section 148 that are applicable to the Tax-Exempt Bonds on the date of issuance of such Tax-Exempt Bonds and with those provisions of Section 148 that may subsequently be lawfully made applicable to such Bonds.

The Administration and the Borrower shall hold and invest Bond Proceeds within their control (if such proceeds are invested) in accordance with the expectations of the

Administration set forth in the Section 148 Certificate. If the Administration is of the opinion, upon receipt of advice of Bond Counsel, that it is necessary further to restrict or limit the yield on the investment of any Bond Proceeds in order to avoid any of the Tax-Exempt Bonds being considered "arbitrage bonds" within the meaning of Section 148, the Borrower shall take such action as is necessary to restrict or limit the yield on such investment, irrespective of whether the Borrower is of the same or a different opinion. Upon the request of the Borrower and receipt of advice of Bond Counsel, the Administration may, and upon receipt of an approving ruling from the Internal Revenue Service or a decision of a court of competent jurisdiction, the Administration shall, take such action as is necessary to remove or modify a restriction or limitation on the yield on the investment of any Bond Proceeds that was formerly deemed necessary. The Administration shall incur no liability in connection with action as contemplated herein so long as the Administration acts in good faith.

The Administration contemplates and will use its best efforts to provide for the payment of rebate or penalties in lieu of rebate with respect to the Tax-Exempt Bonds pursuant to Section 148 from the proceeds of the Tax-Exempt Bonds or investment earnings thereon. However, in the event that funds from this source are inadequate to provide for any such payment of rebate or such penalties, the Borrower agrees to pay to the Administration the portion of the rebate or penalties with respect to any Tax-Exempt Bonds fairly allocable to the Loan (as reasonably determined by the Administration) upon written request of the Administration accompanied by an explanation of the method for allocating any such penalties or rebate.

In addition, the Borrower covenants that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use of the monies deemed to be proceeds of any other Tax-Exempt Bonds of the Administration that would cause any such Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of Section 148. The Borrower further covenants that it will comply with those provisions of Section 148 that are applicable to such other Tax-Exempt Bonds on the date of issuance of such Tax-Exempt Bonds and with those provisions of Section 148 that may subsequently be lawfully made applicable to such Tax-Exempt Bonds. The Borrower shall have no obligation under this paragraph unless advised of such in writing by the Administration.

(l) Compliance With Loan Proceeds Questionnaire and Certificate. Without otherwise limiting the covenants or representations set forth in this Agreement or in the Loan Proceeds Questionnaire and Certificate, the representations set forth in Paragraphs 3 through 9, inclusive, and Paragraphs 11 through 14, inclusive, of the Loan Proceeds Questionnaire and Certificate are hereby incorporated as continuing representations of the Borrower, except to the extent that the Administration shall receive an opinion from Bond Counsel to the effect that any variation from such representations shall not adversely affect the excludability of interest on any Tax-Exempt Bonds from gross income for federal income tax purposes. The Borrower shall not take or permit to be taken any action or actions which would cause any Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or which would otherwise cause interest on any Tax-Exempt Bonds to be includable in gross income for federal income tax purposes.

(m) Additional Disclosure Information. The Borrower agrees to provide the Administration with such information regarding the Borrower and its finances as the Administration may from time to time request. The Borrower further acknowledges that the Administration may issue one or more series of Bonds pursuant to the Indenture, and that any or all of such Bonds may be secured in part by repayments of the Borrower with respect to the Loan. The Borrower accordingly agrees to provide to the Administration such information regarding the Borrower and its finances as the Administration may from time to time request for inclusion in the official statements or other offering documents to be distributed in connection with the sale of any such Bonds or any annual disclosure document or other informational document prepared from time to time by the Administration to be made available to prospective purchasers or holders of any of such Bonds. The Borrower shall also furnish to the Administration at its request a certificate of an Authorized Officer of the Borrower to the effect that any information so provided or included contains no material inaccuracy or omission in light of the purposes for which such information is provided or included. The Borrower agrees to notify the Administration promptly in writing of (a) any changes in the condition or affairs of the Borrower (financial or other) that would cause any information regarding the Borrower so provided or included in an official statement or any subsequent offering document, annual disclosure document or other informational document of the Administration that the Borrower has had an opportunity to review and certify as to its accuracy, to contain a material inaccuracy or omission in light of the purposes for which such information is so included, and (b) upon request from the Administration, any event set forth in Securities and Exchange Commission Rule 15c2-12(b)(5)(i)(C), as such rule may be amended and supplemented.

(n) Related Financing. The Borrower agrees that the proceeds of any Related Financing shall be expended to pay costs of the Project on a monthly basis proportionately with the proceeds of the Loan, taking into account the total amount of the proceeds of such Related Financing available to pay costs of the Project and the maximum amount of the Loan Commitment. The Borrower agrees to provide the Administration upon its request with such information as the Administration deems reasonably necessary to determine whether the Borrower is in compliance with the provisions of this Section 2.02(n).

ARTICLE III

LOAN TO BORROWER; AMOUNTS PAYABLE; GENERAL AGREEMENTS

Section 3.01. The Loan. Subject to the provisions of Sections 3.02, 3.03 and 3.08 hereof, the Administration hereby agrees to advance amounts under this Agreement to the Borrower, and the Borrower agrees to borrow and accept from the Administration amounts advanced under this Agreement, in an aggregate principal amount not to exceed the maximum amount of the Loan Commitment set forth on Exhibit B attached hereto.

Section 3.02. Availability of Funds. The Administration expects to have, and shall use its best efforts to obtain and maintain, funds in an amount sufficient to make advances to the Borrower in accordance with the "Construction Cash Draw Schedule" included in Exhibit C attached hereto. The Borrower recognizes, however, that the Administration is a governmental entity with limited financial resources and that the Administration's ability to make such advances may be adversely affected by events or circumstances beyond the Administration's control. The Borrower accordingly assumes the risk that monies may not be available to make advances of the Loan to the Borrower, and, in such event, the Borrower specifically agrees that the Administration shall have no obligation to lend any amounts to the Borrower in excess of the amount theretofore advanced to the Borrower.

Section 3.03. Disbursements and Capitalized Interest.

(a) Requisitions and Disbursements. Amounts shall be loaned from time to time to pay, or reimburse the Borrower for the payment of, Eligible Project Costs, upon receipt of requisitions of the Borrower. Each such requisition shall (i) state the names of the payees, (ii) describe in reasonable detail the purpose of each payment, (iii) state the amount of each payment (supported by appropriate paid invoices or other evidence satisfactory to the Administration that the amount requisitioned has been paid or has been incurred by the Borrower and is then due), (iv) state that the amount so requisitioned constitutes a part of the Eligible Project Costs, and (v) state that no Default or Event of Default under this Agreement has occurred and is continuing; provided, that this section shall not apply to advances made or deemed to have been made as provided in Section 3.03(c) hereof. The Administration shall not be required to advance monies on more than one day in each month, and the Administration shall not be required to advance monies for the Project sooner than, or in an amount greater than, the schedule of disbursements for the Project shown on the "Construction Cash Draw Schedule" included in Exhibit C attached hereto. The Administration may require the Borrower to submit requisitions in advance of each such disbursement date in such manner as shall be reasonably acceptable to the Administration.

(b) Conditions Precedent. Before making the first advance of Loan proceeds, the Administration shall receive the following in form and content satisfactory to the Administration:

(i) copies of the Plans and Specifications and of any Change Orders issued through the date of such advance, the general construction contract, and the Project Budget;

(ii) a survey showing the location of existing and proposed easements, rights-of-way and improvements, and the perimeter boundaries of the land upon which the Project will be located, if any Loan proceeds are to be used for acquisition of the land;

(iii) copies of all building permits, if any, pertaining to the Project;

(iv) cost breakdown in trade form showing all subcontracts which represent at least 10 percent of the costs of the Project, and indicating use of the proceeds of the Loan therefor;

(v) a fully executed copy of any contract for the purchase of real property constituting a portion of the Eligible Project Costs described in Exhibit C; and

(vi) evidence satisfactory to the Administration that the conditions (if any) set forth in Exhibit A to this Agreement have been satisfied.

In addition, it shall be a condition precedent to the Administration's obligation to make any advance of Loan proceeds under this Agreement that no Default or Event of Default shall have occurred and be continuing at the time of any such advance.

(c) Interest During Construction. In the event that the Administration has consented to permit the Borrower to pay interest on the Loan from proceeds of the Loan during all or a portion of the period of time related to construction of the Project (as itemized in Exhibit C) ("Construction Period Interest"), the Administration shall on each February 1 and August 1 during such period advance to the Borrower and immediately apply to the interest then due and owing, an amount equal to the interest on the Loan due on such February 1 or August 1 and not theretofore paid by the Borrower. Any such amount of Construction Period Interest advanced by the Administration shall constitute part of the principal amount of the Loan hereunder immediately upon its advance to the Borrower in accordance with this paragraph. Notwithstanding the advance of any Construction Period Interest to the Borrower in accordance with this Section, the Borrower shall pay directly to the Administration the Administrative Fee on the dates and in the amounts set forth in Section 3.04(c), and no amounts shall be advanced under the Loan for the payment of the Administrative Fee.

Section 3.04. Amounts Payable.

(a) Loan Payments. The Borrower shall punctually repay the Loan in installments on the dates, in the amounts, and in the manner specified in the Note. The outstanding amount of the Loan shall bear interest at a rate per annum equal to the rate or rates of interest set forth in Exhibit B, and shall be payable in accordance with the amortization schedule as specified in Exhibit B attached hereto and more particularly set out in the Note (which amortization schedule is subject to adjustment in accordance with this Agreement and the Note). On or prior to the Loan Closing Date, the Borrower shall execute the Note to evidence such obligation. In addition, the Borrower shall pay to the Administration an Administrative Fee in accordance with paragraph (c) of this Section.

(b) Late Charges. In addition to the payments of principal and interest on the Loan required by paragraph (a) of this Section, the Borrower shall pay (i) a late charge for any payment of principal or interest on the Loan that is received later than the tenth day following its due date, in an amount equal to 5% of such payment, and (ii) interest on overdue installments of

principal and (to the extent permitted by law) interest at a rate equal to the Default Rate set forth in Exhibit B. Amounts payable pursuant to this paragraph (b) shall be immediately due and payable to the Administration, and interest at the Default Rate shall continue to accrue on overdue installments of principal and (to the extent permitted by law) interest until such amounts are paid in full.

(c) Administrative Fee. (i) On the date specified in Exhibit B for the first payment of the Administrative Fee and on each August 1 thereafter that the Note remains outstanding and unpaid to and including the date of final maturity of the Note (each such date, an "Administrative Fee Payment Date"), the Borrower shall pay to the Administration an Administrative Fee. Subject to paragraph (iv) below, the Administrative Fee for any Administrative Fee Payment Date shall be (A) the Administrative Fee set forth in Exhibit B or (B) after any date on which the outstanding principal amount of the Loan Commitment is reduced by the Administration by a notice in writing to the Borrower in accordance with this Agreement (other than by reason of the repayment of the principal of the Loan), the Administrative Fee set forth in a notice from the Administration to the Borrower in connection with such reduction. Any adjustment of the Administrative Fee in accordance with the foregoing shall be prospective only, and the Administration shall in no event be obligated to refund any portion of any Administrative Fee payment theretofore received from the Borrower.

(ii) In prescribing the Administrative Fee for a loan with a term of thirty years for purposes of paragraph (i) above, the Administration shall employ the following formula, it being understood that any determinations as to the application of such formula shall be within the discretion of the Administration and any Administrative Fee Payment prescribed by the Administration in accordance with the foregoing shall be conclusive and binding upon the Administration and the Borrower: the Administrative Fee equals (A) the aggregate amount of all scheduled payments of principal of and interest on the Note, multiplied by the Percentage Rate (defined in paragraph (iv) below) then in effect, (B) divided by the total number of scheduled Administrative Fee Payment Dates. For example, if the aggregate amount of all scheduled payments of principal of and interest on the Note were \$5,000,000 and the Percentage Rate were 5%, and the total number of scheduled Administrative Fee Payment Dates were 31, the Administrative Fee to be paid each year would equal:

$$\frac{\$5,000,000 \times .05}{31} = \$8,064.52$$

(iii) In prescribing the Administrative Fee for a loan with a term of less than thirty years for purposes of paragraph (i) above, the Administration shall employ the following formula, it being understood that any determinations as to the application of such formula shall be within the discretion of the Administration and any Administrative Fee Payment prescribed by the Administration in accordance with the foregoing shall be conclusive and binding upon the Administration and the Borrower: The Administrative Fee equals (A) the aggregate amount of all scheduled payments of principal of and interest on the Note, multiplied by the Percentage Rate (defined in paragraph (iv) below) then in effect, (B) divided by 30. For example, if the aggregate amount of all scheduled payments of principal of and interest on the Note were

\$4,000,000 and the Percentage Rate were 5%, the Administrative Fee to be paid each year would equal:

$$\frac{\$4,000,000 \times .05}{30} = \$6,666.67$$

(iv) The Percentage Rate for each Fiscal Year shall be fixed as a uniform rate for all borrowers receiving loans from the Fund in order to provide sufficient revenues to pay the expenses of the Administration, as approved in the operating budget of the State by the General Assembly of the State; provided, however, that in no event shall the Percentage Rate exceed five percent (5%). In each Fiscal Year, the Administration shall review the Percentage Rate then in effect and adjust it for the immediately succeeding Fiscal Year to reflect its approved budget for the immediately succeeding Fiscal Year, a retainage of not more than ten percent (10%) for an operating reserve within the Administration's general account, and other factors as reasonably determined by the Secretary. No later than June 1 following the end of the Session of the General Assembly in each Fiscal Year, the Administration shall notify the Borrower of the newly established Percentage Rate, which shall be the Percentage Rate applicable to the immediately succeeding Fiscal Year, and of any change in the amount of the Administrative Fee payable by the Borrower in such Fiscal Year as a result of the application of such Percentage Rate.

Section 3.05. Sources of Payment.

(a) Dedicated Revenues. In accordance with Section 2.02(f) hereof, the principal of and interest on the Note, and any other amounts due from time to time under this Agreement, shall be payable in the first instance from the dedicated source of revenues described in Exhibit E attached hereto.

(b) General Obligation. In addition, the Note constitutes a general obligation of the Borrower, to the payment of which the full faith and credit and taxing power of the Borrower are pledged.

(c) State Withholding. As further security for the payment of the Note and any other amounts due hereunder, the Borrower hereby pledges the following to the Administration and grants a security interest therein to the Administration: (i) as authorized by Section 9-1606(d) of the Act, the Borrower's share of any and all income tax revenues collected by the State from time to time that would otherwise be payable to the Borrower, and (ii) to the maximum extent permitted by law, any and all other tax revenues, grants, and other monies that the Borrower is or may from time to time be entitled to receive from the State or that may at any time be due from the State, or any department, agency, or instrumentality of the State, to the Borrower. The Borrower further agrees that, upon the occurrence of an Event of Default, among other things, the State Comptroller and the State Treasurer may (i) withhold any such amounts that the Borrower is then or may thereafter be entitled to receive and (ii) at the direction of the Administration, apply the amounts so withheld to the payment of any amounts then due or thereafter becoming due hereunder (including, without limitation, payments under the Note) until the Borrower's obligations hereunder have been fully paid and discharged.

Section 3.06. Unconditional Obligations. The obligations of the Borrower to make payments under the Note as and when due and all other payments required hereunder and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any Governmental Authority, any failure of the Administration, the Department or the State to perform or observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Project, this Agreement, or otherwise or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might otherwise have against the Administration, the Department or the State or any other party or parties; provided, however, that payments hereunder shall not constitute a waiver of any such rights.

Section 3.07. Loan Commitment. The Borrower acknowledges and agrees that the monies attributable to the Borrower's Loan Commitment are the property of the Administration and are held by the Administration to provide for advances to be made to the Borrower in accordance with this Agreement. Without limiting the foregoing, the Borrower acknowledges and agrees that monies attributable to the Borrower's Loan Commitment may at the discretion of the Administration be pledged or applied to the payment of Bonds.

Section 3.08. Reduction of Loan Commitment. The Loan Commitment is subject to reduction in accordance with the provisions of this Section 3.08.

(a) Any portion of the Loan Commitment not advanced to the Borrower under Section 3.03 of this Agreement at the later of (1) two years from the date of this Agreement and (2) the earlier of one year following (i) actual completion of construction of the Project or (ii) the estimated completion date specified on Exhibit B attached hereto, shall no longer be available to be advanced to the Borrower and the amount of the Loan Commitment shall be reduced by an amount equal to the portion of the Loan Commitment not advanced, unless otherwise agreed to by the Administration in writing.

(b) The Administration may reduce the amount of the Loan Commitment if the Administration should for any reason determine that it will be unable to fund the full amount of the Loan Commitment (including, without limitation, a determination that the Eligible Project Costs to be paid with proceeds of the Loan are expected to be less than the maximum amount of the Loan Commitment), or if it determines that the Borrower is not proceeding satisfactorily and expeditiously with the Project in accordance with schedules and plans provided to the Administration, or if it determines that the Borrower is no longer able to make the certifications required under Section 3.03 in connection with the submission of requisitions.

(c) Any reduction in the amount of the Loan Commitment shall not affect the obligation of the Borrower to repay the Loan in accordance with the provisions of this Agreement and the Note.

(d) The Administration shall advise the Borrower in writing of any reduction in the amount of the Loan Commitment. Such notice shall specify the reason for and the amount of the reduction. In the event of any such reduction, the Borrower shall repay the Loan in accordance with such revised principal amortization schedule (prepared by applying such amount to reduce the installments of principal due under the Note in inverse order of payment, such that any such reduction is applied first to the last installment of principal due under the Note) as may be prescribed by the Administration in accordance with the provisions of the Note executed in connection therewith. The Administration may require, and the Borrower shall deliver, such certificates, documents, opinions and other evidence as the Administration may deem necessary or advisable in connection with any such reduction in the Loan Commitment. If a new Note is delivered in connection with any such reduction, the Administration shall cancel the Note initially delivered to the Administration by the Borrower pursuant to this Agreement.

Section 3.09. Disclaimer of Warranties. The Administration makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for use of the Project or any portion thereof or any other warranty with respect thereto. In no event shall the Administration be liable for any incidental, indirect, special or consequential damages in connection with or arising out of this Agreement or the Project or the existence, furnishing, functioning or use of the Project or any item or products or services provided for in this Agreement.

Section 3.10. Prepayments. The Loan shall be subject to mandatory prepayment, in whole or in part, as, when and to the extent required by the EPA's State Revolving Fund Program Regulations. Otherwise, the Loan may be prepaid by the Borrower, in whole or in part, only at such times and in such amounts, and upon the payment by the Borrower of such prepayment premium or penalty, as the Director, in his or her discretion, may specify and approve.

Section 3.11. Assignment. Neither this Agreement nor the Note may be assigned by the Borrower for any reason without the prior written consent of the Administration. The Administration may transfer, pledge or assign the Note and any or all rights or interests of the Administration under this Agreement without the prior consent of the Borrower.

ARTICLE IV

EVENTS OF DEFAULT AND REMEDIES

Section 4.01. Events of Default. If any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) failure by the Borrower to pay any amount required to be paid hereunder or under the Note when due, which failure shall continue for a period of 20 days;

(b) failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, other than as referred to in paragraph (a) of this Section, which failure shall continue for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to the Borrower by the Administration, unless the Administration shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period, the Administration will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the Default is corrected;

(c) if (i) at any time any representation made by the Borrower in Section 2.01(f)(ii) is incorrect, or (ii) any other representation made by or on behalf of the Borrower contained in this Agreement, or in any instrument furnished in compliance with or with reference to this Agreement, the Loan Commitment or the Loan, is false or misleading in any material respect on the date on which such representation is made;

(d) if an order, judgment or decree is entered by a court of competent jurisdiction (i) appointing a receiver, trustee, or liquidator for the Borrower; (ii) granting relief in involuntary proceedings with respect to the Borrower under the federal bankruptcy act, or (iii) assuming custody or control of the Borrower under the provision of any law for the relief of debtors, and the order, judgment or decree is not set aside or stayed within 60 days from the date of entry of the order, judgment or decree; or

(e) if the Borrower (i) admits in writing its inability to pay its debts generally as they become due, (ii) commences voluntary proceedings in bankruptcy or seeking a composition of indebtedness, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a receiver, or (v) consents to the assumption of custody or control of the Borrower by any court of competent jurisdiction under any law for the relief of debtors.

Section 4.02. Notice of Default. The Borrower shall give the Administration prompt telephonic notice by contacting the Director of the Administration, followed by prompt written confirmation, of the occurrence of any event referred to in Section 4.01(d) or (e) hereof and of the occurrence of any other event or condition that constitutes a Default or an Event of Default at such time as any senior administrative or financial officer of the Borrower becomes aware of the existence thereof.

Section 4.03. Remedies on Default. Whenever any Event of Default referred to in Section 4.01 hereof shall have happened and be continuing, the Administration shall have the right to take one or more of the following remedial steps:

(a) declare all amounts due hereunder (including, without limitation, payments under the Note) to be immediately due and payable, and upon notice to the Borrower the same shall become immediately due and payable by the Borrower without further notice or demand; and

(b) take whatever other action at law or in equity that may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the performance and observance of any obligation, agreement or covenant of the Borrower hereunder.

Section 4.04. Attorneys' Fees and Other Expenses. The Borrower shall on demand pay to the Administration the reasonable fees and expenses of attorneys and the Trustee and other reasonable expenses incurred in the collection of any sum due hereunder or in the enforcement of performance of any other obligations of the Borrower upon an Event of Default.

Section 4.05. Application of Monies. Any monies collected by the Administration pursuant to Section 4.03 hereof shall be applied (a) first, to pay any attorneys' fees or other fees and expenses owed by the Borrower pursuant to Section 4.04 hereof, (b) second, to pay interest due on the Loan, (c) third, to pay principal due on the Loan, (d) fourth, to pay any other amounts due hereunder, and (e) fifth, to pay interest and principal on the Loan and other amounts payable hereunder as such amounts become due and payable.

Section 4.06. No Remedy Exclusive; Waiver; Notice. No remedy herein conferred upon or reserved to the Administration is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Default or Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Administration to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article.

OPINION OF BORROWER'S COUNSEL

[LETTERHEAD OF COUNSEL TO BORROWER]

[CLOSING DATE]

Maryland Water Quality
Financing Administration
1800 Washington Blvd.
Baltimore, Maryland 21230-1718

Ladies and Gentlemen:

We are counsel to [NAME OF BORROWER], a [body politic and corporate and a political subdivision] [municipal corporation] [other appropriate description] of the State of Maryland (the "Borrower") in connection with the loan (the "Loan") by Maryland Water Quality Financing Administration (the "Administration") to the Borrower of funds to finance all or a portion of the costs of a project (the "Project") described in Exhibit B to the Drinking Water Loan Agreement dated as of _____, 2020 (the "Agreement") by and between the Administration and the Borrower.

In this connection, we have reviewed such records, certificates, and other documents as we have considered necessary or appropriate for the purposes of this opinion, including, without limitation, the Agreement and the Borrower's \$ _____ Drinking Water Bond, Series 2020, dated _____, 2020 (the "Note"). The Agreement and the Note are referred to herein collectively as the "Loan Documents". Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Borrower is a validly created and existing [body politic and corporate and a political subdivision] [municipal corporation] [other appropriate description] of the State of Maryland, possessing authority to acquire, construct and operate the Project and to enter into the Loan Documents and perform its obligations thereunder.

(b) The Borrower has duly authorized, executed and delivered the Loan Documents and, assuming due authorization, execution and delivery of the Agreement by the Administration, the Loan Documents constitute legal, valid and binding obligations of the Borrower enforceable in accordance with their respective terms.

(c) The Note is a general obligation of the Borrower to which its full faith and credit is pledged payable, if and to the extent not paid from other sources as described in the Agreement, from ad valorem taxes, unlimited as to rate and amount, which the Borrower is empowered to levy on all real and tangible personal property within its corporate limits subject to assessment for unlimited taxation by the Borrower.

(d) The Loan Documents and the enforceability thereof are subject to bankruptcy, insolvency, moratorium, reorganization and other state and federal laws affecting the enforcement of creditors' rights and to general principles of equity.

(e) To the best of our knowledge after reasonable investigation, the Borrower has all necessary licenses, approvals and permits required to date under federal, state and local law to own, construct and acquire the Project.

(f) Neither the execution and delivery of the Loan Documents, nor the consummation of the transactions contemplated thereby, nor the acquisition and construction of the Project, nor the fulfillment of or compliance with the terms and conditions of the Loan Documents, conflicts with or results in a breach of or default under any of the terms, conditions or provisions of the charter or laws governing the Borrower (including any limit on indebtedness) or, to the best of our knowledge after reasonable investigation, any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Borrower is now a party or by which the Borrower or its properties are otherwise subject or bound, and the Borrower is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Documents.

(g) To the best of our knowledge after reasonable investigation, there is no action, suit, proceeding or investigation, at law or in equity, before or by any court, governmental agency or public board or body pending or threatened against or affecting the Borrower that, if adversely determined, would materially affect the ability of the Borrower to perform its obligations under the Loan Documents, which has not been disclosed in writing to the Administration.

We hereby authorize Bond Counsel to the Administration to rely on this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

BK0062PG0271
